

IRON RANGE ENGINEERING BELL PROGRAM

Bell Program Application

Thank you for your interest in the Bell Program! Please complete the application to take your first steps towards an engineering degree from an [Emerging World-Leader in Engineering Education!](#)

Before you begin, here is a list of what you will need to complete the application:

1. Personal contact info: Name, Address, Phone, etc.
 2. College information:
 - a. Name(s) of Institution(s) Attended
 - b. Credits earned
 - c. Cumulative GPA
 - d. Unofficial Transcript
 - i. Email to bellprogram@ire.minnstate.edu upon completion of application
 3. Professional Reference
 - a. Name
 - b. Email and Phone Number
 4. Answer the following essay questions
 - a. In 1-3 paragraphs: Why are you interested in learning in the Bell Program?
 - b. In 2-4 paragraphs: The Bell Program is an apprenticeship-based model that develops people's capabilities in the professional, technical, and design domains of the engineering profession. Student engineers in this program will undergo high levels of growth in these areas. Describe how you believe you will embrace this growth (include a description of a past time of significant growth).
 5. Please schedule a phone/video interview with us by email:
 - a. bellprogram@ire.minnstate.edu
-

Thank you again for your interest in learning in our [award-winning program!](#) On behalf of everyone at the Bell Program, we look forward to helping you become the engineer *you* want to be!
